Attach additional schedules if more space is needed.

NONRESIDENT MODIFICATIONS SCHEDULE

16. Partner's all-source modifications	16
17. Iowa business activity ratio	17
18. Partner's modifications apportionable to Iowa	18

IOWA NONRESIDENT K-1 INSTRUCTIONS

This schedule apportions the nonresident partner's K-1 items to Iowa with the apportioned amounts appearing in column d of the form. The nonresident partner's all-source modifications from column 5 Part II of the IA 1065 are apportioned to Iowa on lines 16 through 18 of the Iowa partnership K-1. There is no Iowa partnership K-1 for Iowa residents. A copy of the Federal K-1 will suffice for Iowa resident partners. An Electing Large Partnership must adapt the nonresident partner's Iowa K-1, column b, to report income as shown on the K-1 for Federal form 1065-B.

NOTE: State tax information may be disclosed to tax officials of another state or to the United States for tax administration purposes.

LINE INSTRUCTIONS

Column b, lines 1 through 14(e): Enter the same amounts as shown on your Federal K-1.

Column c, lines 1 through 14(e): Enter the Iowa single factor business activity ratio that you have calculated on a separate worksheet. Iowa uses a single factor business activity ratio based on the ratio of Iowa sales or gross receipts to total sales or gross receipts.

Column d, lines 1 through 14(e): Multiply the amounts in column b by the percentage in column c and enter the product in column d. This is the amount apportionable to Iowa.

Line 16: Enter the nonresident partner's all-source modifications as shown in column 5 Part II of the IA 1065.

Line 17: Enter the Iowa single factor business activity ratio.

Line 18: Multiply line 16 by the percentage on line 17 and enter here. If this entry is a positive amount, also enter it on line 14 of your IA 126 form. If this entry is a negative amount, enter it on line 24 of your IA 126 form.
